

BARTHOLOW WINS KIRK PEIL MEMORIAL SHOOT

Nearly 70 trapshooters participated in the Kirk Peil Memorial shoot held August 25 and 26 at the Rapid City Trap Club to honor our good friend. Kirk passed away last year on the way back home to Martin after competing in the South Dakota State Trap Shoot. Kirk will be remembered not only for his great shooting but also for his ability to make friends wherever he went. He was always joking and his laugh was infectious. We will miss our wonderful colleague.

Good scores were posted despite the breezy weather. Each competitor was allowed to win only one trophy buckle for the entire shoot so that more of Kirk's friends and family could share in the winnings of his memorial shoot.

Matt Bartholow, 17, from Rapid City, won the High Over All buckle with his combined scores of 198 x 200 in the 16 yard singles competition, 190 x 200 in handicap and a perfect 200 x 200 in the doubles event for a total of 588 x 600.

The Singles champion buckle was won by Eric Peil, Martin SD. Eric is Kirk's son, and he shot 197 x 200 birds in the 16 yard event.

Greg Johnson of Rapid City was named the Handicap champion with a great score of 195 x 200 from the 23 yard line. His scores earned him a one and a half yard increase to the 24 ½ yard line.

The Doubles champion buckle was awarded to Walt Taylor, Jr. of Lead after he shot 193 x 200 twin birds.

High scores and trophy winners may differ and all of the scores are listed below.
